CYBERTECH FAIRFAX

The Cyber Gateway to America

June 13, 2017 // Capital One Headquarters, Virginia

ORGANIZED BY

CYBERTECH

Join Cybertech and the Fairfax County Economic Development Authority on June 13 for a thought-provoking conference and exhibition on global cyber threats, solutions, innovations and technologies.

At Capital One headquarters, meet technology company executives, startups, government officials and contractors, investors, leading academics and legal, media and marketing professionals changing the global cyber landscape.

Speakers and panelists will focus on the global cyber threat, and strategies and solutions that meet the diverse challenges in sectors including finance, transportation, utilities, defense, communication and government.

Conference themes:

- » Securing Global Commerce and National Defense
- » Improving Infrastructure Security and Smart City
- » Protecting Mega Events
- » Strengthening Banking and Financial Sector Operations
- » Investing in Cybersecurity

Cybertech Fairfax will have a strong focus on networking, strengthening existing alliances and forming new ones, thanks to a B2B meetings platform. The conference also will emphasize on innovation with a startup competition and a Startup Pavilion where cutting-edge companies will display the latest advances.

The Fairfax County Economic Development Authority is uniquely positioned to host the conference. Fairfax County is a leading location in cybersecurity -- a hub for leading companies, federal agencies, universities and associations, both domestic and international. With unparalleled market access to large public- and private-sector clients as well as major information technology vendors and consulting firms, the county's robust cyber ecosystem includes more than 350 firms from startups to Fortune 500 companies.
